

INVESTING IN FUTURES

A Sustainable, Low-Fatigue Fundraising Framework for the
HTA BATCH 2001 MILLENNIUM SCHOLARSHIP

THE FUNDING GOAL

₱28,000

MAXIMUM ANNUAL REQUIREMENT

BREAKDOWN PER STUDENT

To sponsor an incoming freshman student's academic year, the total operational cost ranges between ₱25,000 and ₱28,000. We structure these allocations with strict precision:

 **Tuition Fees:** ₱18,000 (Guarantees classroom seat)

 **Miscellaneous:** ₱7,000 - ₱10,000 (Supplies, projects, uniforms)

$$\text{Cost}_{\text{Tuition}} + \text{Cost}_{\text{Miscellaneous}} = \text{Cost}_{\text{Total Year}}$$

PREVENTING DONOR FATIGUE

SUBSCRIPTION MODEL

We convert massive annual asks into small, painless monthly contributions. Micro-payments reduce financial friction and cultivate giving habits.

SHARED-LOAD DESIGN

Multiple donors can co-sponsor a single student, lowering individual costs. Shared financial burdens prevent burnout and grow community support.

TRANSPARENCY LOOP

Donors receive academic scorecards and thank-you cards. Connecting support directly to tangible student progress drives lasting emotional return.

FLEXIBLE DONOR SCHEMES

OPTION	TARGET AUDIENCE	DONOR SHARE	PARENT/FUND ROLE
Option A: Micro-Subscription	Everyday changemakers, alumni	₱25 to ₱77 / day (Monthly)	Fully subsidized student load
Option B: Tuition Anchor	Corporate partners, professionals	₱18,000 / year (₱1,500/mo)	Parent covers ₱7k-10k miscellaneous
Option C: Pooled Subsidy	One-time donors, small ticket	Any amount, fluid pooling	Scholarship scaled to match total fund pool

OPTION A: MICRO-SUBSCRIPTION

Our subscription plan makes giving painless. By treating charity like a modern service subscription, donors rarely experience payment stress.

Donors choose their daily impact tier:

- ✓ **₱25/day (₱750/mo):** Funds miscellaneous expenses
- ✓ **₱50/day (₱1,500/mo):** Secures the entire tuition
- ✓ **₱77/day (₱2,333/mo):** Fully sponsors one child

AUTOMATIC BANK TRANSFERS

Secured monthly payment integration so donors never have to manually execute transfers.

HIGH RETENTION RATES

Data indicates subscriptive, small-ticket giving is 4x more likely to sustain past Year 1 than lump sums.

OPTION B: TUITION ANCHOR

A Co-Investment Model: The donor guarantees 100% of the tuition, while the family takes active ownership of the remaining operational costs.

🛡️ **Donor Commitment:** ₱18,000 per year (clears tuition balance)

🏠 **Parent Ownership:** Co-pays ₱7,000 to ₱10,000 for student's direct operational daily needs

Why donors love this: It fosters deep parental accountability and partnerships rather than creating total dependency.

$$600 \times 400$$

OPTION C: POOLED SUBSIDY

LEVEL 1: LEAN POOL

Minimum Funding Level: Funds only the Tuition (₱18,000/student). Parents cover all miscellaneous costs to protect the student's enrollment status.

LEVEL 2: BASELINE POOL

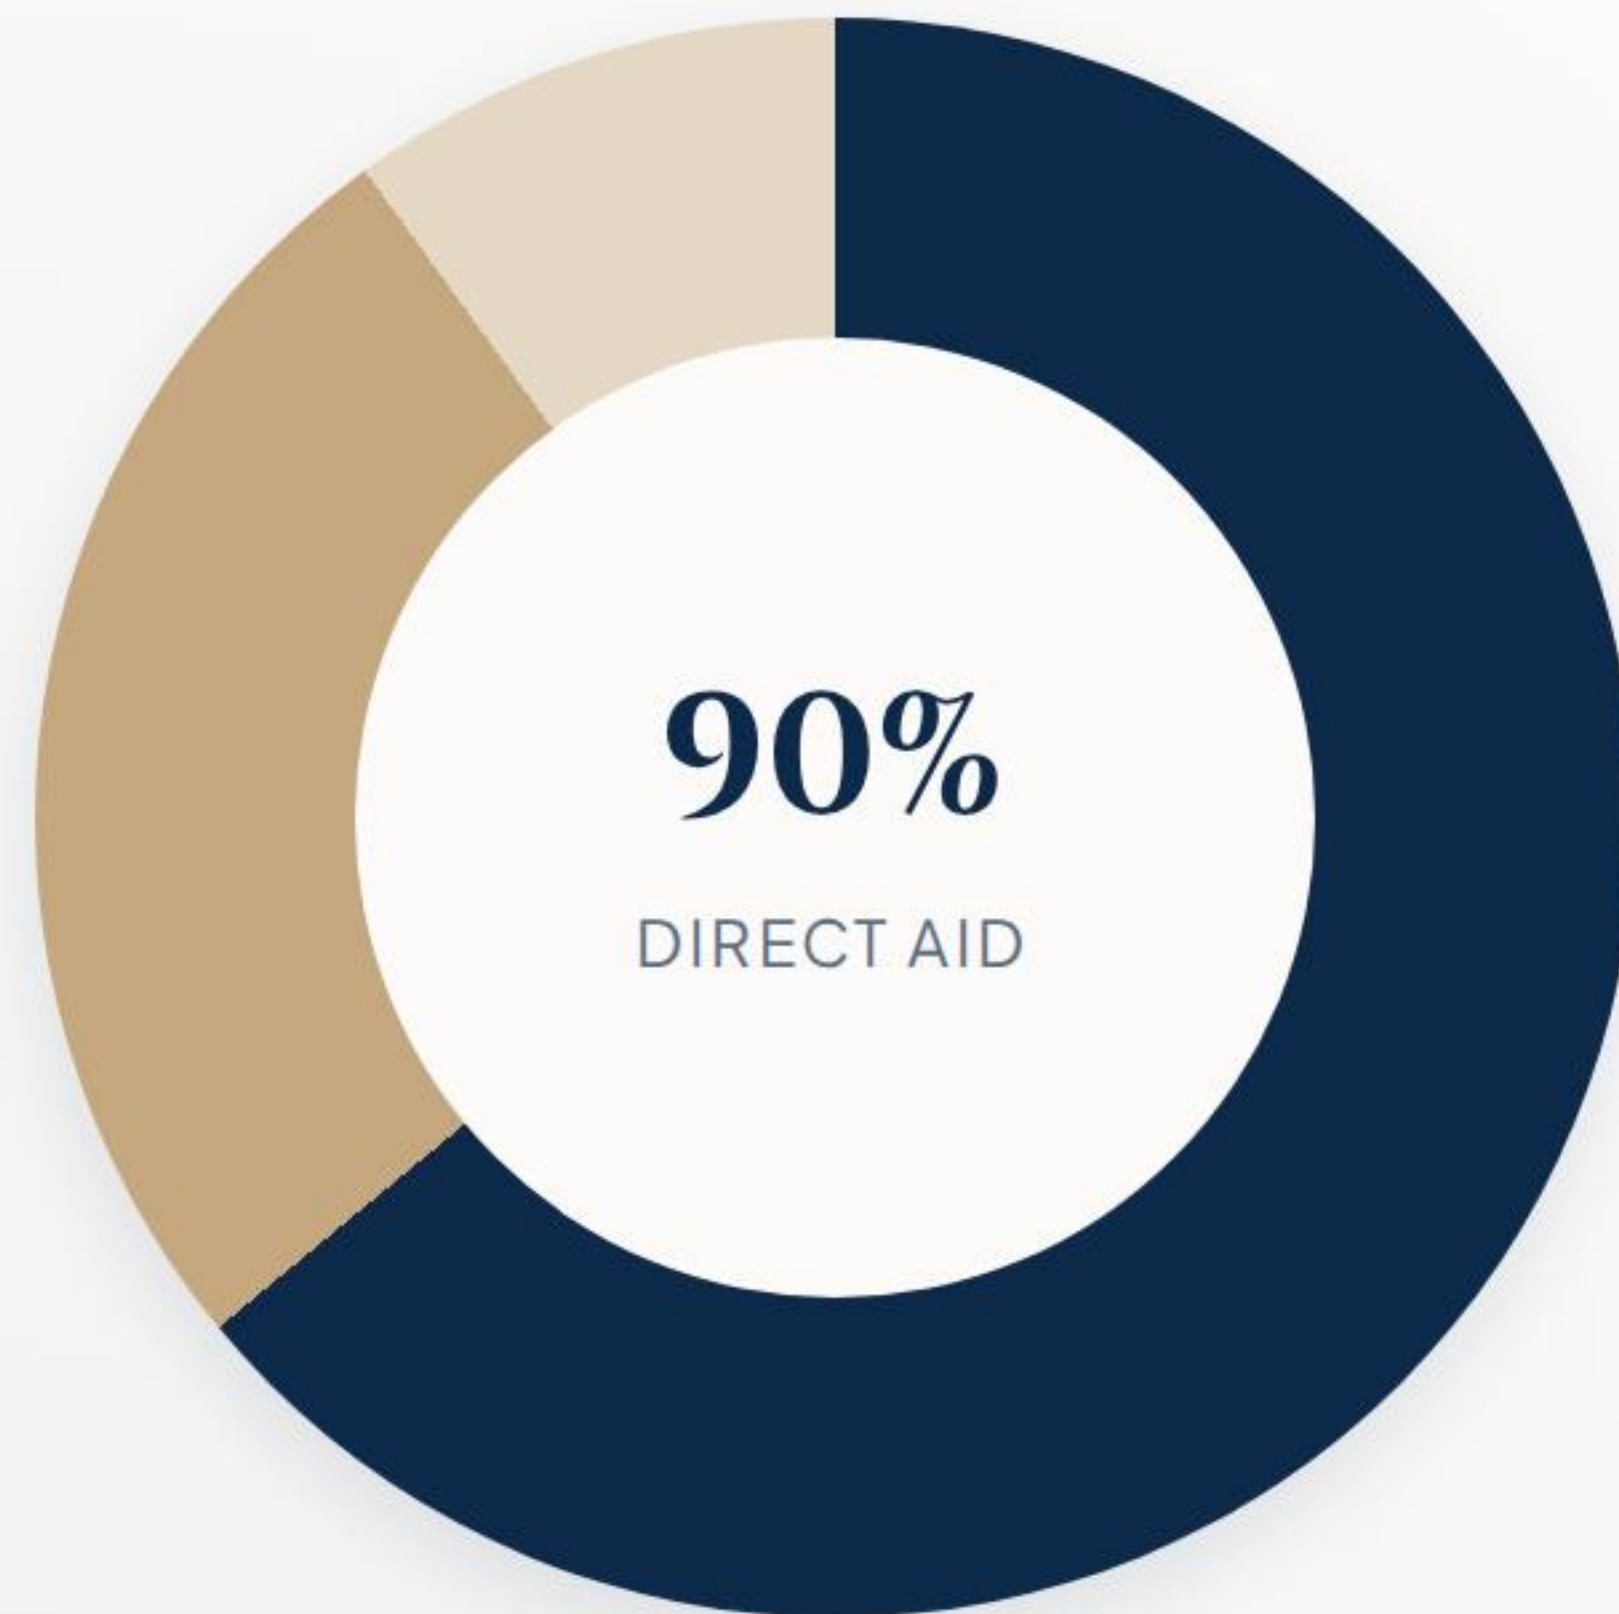

Standard Funding Level: Funds the Tuition + partial miscellaneous expenses (₱22,000/student). Families receive highly subsidized supply kits.

LEVEL 3: MAXIMUM POOL

Optimal Funding Level: Fully funds the entire ₱28,000 load per student. Zero parent contribution required; excess fills reserve.

OPERATIONAL RESERVE STRATEGY

OPERATIONAL RESERVE FUND

- **Direct Support (64% - 72%):** Covers tuition fees directly to the treasury.
- **Miscellaneous Subsidies (18% - 26%):** Covers uniforms, supplies, and tools.
- **Sustainability Buffer (10%):** Absorbs sudden subscriber dropout shocks.

THE YEARLY STEWARDSHIP LOOP

MONTH 1

Onboarding

Donor receives student background profiles, onboarding kits, and scheduled giving confirmation.

MONTH 5

Mid-Year Reporting

Semester I report cards, impact report updates, and handmade cards from sponsored scholars are sent.

MONTH 10

Academic Review

Year-end graduation reports, overall portfolio reviews, and re-subscription invites are dispatched.

MONTH 12

Community Event

Recognition Day invitations and a simple virtual gather-together matching donors with student scholars.

JOIN OUR MISSION

Support HTA Batch 2001 in creating sustainable pathways, one student at a time.
